

HAROLD & ARLENE SCHNITZER CARE FOUNDATION

January 18, 2000

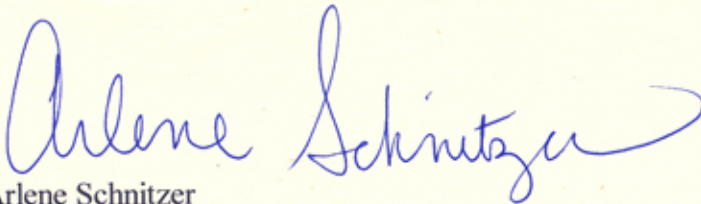

To Whom It May Concern:

I am writing in support of Painted Sky. This festival which is scheduled to take place Labor Day Weekend of 2000 in Portland will focus on Native American Culture in dance and music. This upcoming music festival will be a terrific event for the city of Portland and will introduce the Pacific Northwest to Native American music and culture. Most importantly, this event will bring increased visibility of Native American culture to the people living in Portland by showcasing the heritage of this land.

We are proud to have been one of the initial sponsors of Painted Sky and are excited to see the finished product after several years of planning for this fabulous event.

I sincerely believe the city of Portland and the Pacific Northwest in general will benefit greatly from having such a large scale Native American cultural event and would encourage others to become sponsors to help make this event happen to its fullest potential.

Sincerely,
